

**SHNITKA, Dr. Theodor**

November 21, 1927 - May 30, 2011

After several years of declining health, Theodor Shnitka passed away at age 83. He is survived by his wife, Toby Garfin and cousins, Robert, Aaron and Ron Wolch.

Ted grew up in Calgary but moved to Edmonton to attend the University of Alberta where he graduated in Medicine.

He became an important part of the Department of Pathology, serving as Chairman for many years until his retirement in 1987 at age 60. Even after retirement, he continued his writing and research. Ted was an excellent teacher but a humble man, who downplayed his many professional accomplishments.

Ted had many interests beyond his profession and supported numerous causes, including Israel which he cared deeply about. Ted was laid to rest on Wednesday June 1, 2011, at the Edmonton Jewish Cemetery.

The family would like to thank all of Ted's doctors, nurses and caregivers. If desired, memorial donations may be made to a charity of one's choice.
